

CENTER FOR FUNCTIONAL MAGNETIC RESONANCE IMAGING (CFMRI)
W.M. KECK BUILDING
TRAVELING, PARKING, AND TRANSPORTATION INFORMATION

Center for Functional Magnetic Resonance Imaging (CfMRI)
W.M. Keck Building
Gilman Dr and Biomedical Sciences Way (formerly Osler Lane)

DIRECTIONS TO CfMRI - W.M. KECK BUILDING

- The best address to find the center across most GPS platforms is:
**UCSD Center for Functional MRI
(Biomedical Sciences Way - Formerly Osler Lane)**
- To bring you to the exact location, search specifically for the following names.
 - In **Google Maps & Apple Maps**, search:
UCSD Center for Functional MRI, La Jolla, CA 92093
 - If you are not using either of these GPS apps, search:
Gilman Drive and Biomedical Sciences Way (formerly Osler Lane)

CENTER FOR FUNCTIONAL MAGNETIC RESONANCE IMAGING (CFMRI)
W.M. KECK BUILDING
TRAVELING, PARKING, AND TRANSPORTATION INFORMATION

PARKING

- The CfMRI building is located on the UCSD School of Medicine campus in La Jolla, CA.
- Once you arrive to Gilman Dr. and Biomedical Sciences Way (formerly Osler Lane), go down Biomedical Sciences Way, **PAST** the South Parking Structure (do not park in the parking structure) until you reach the street named **Pharmacy Lane**.
- The CfMRI building will be at the intersection of Osler Lane and Pharmacy Lane.
- **All in-person MRI sessions will be conducted at the CfMRI Building**
